

## **BUSINESS JET CARES BIO**

### **2023 Each Moment Matters Luncheon Honoree**

Business Jet Center, a family-owned and operated fixed-base operator (FBO) situated at Dallas Love Field, has earned a well-deserved reputation as one of the top FBOs in the nation. While they have a reputation for their exceptional customer service, they have also been actively serving their community for the past 11 years through their philanthropic arm, Business Jet Cares. Business Jet Cares, a 501(c)(3) organization founded by Business Jet employees, is driven by their strong desire to give back to the community. Through fundraising efforts and volunteering, Business Jet Cares focuses on supporting local philanthropies that benefit "kids, vets and pets."

Their Annual Charity Golf Tournament serves as a testament to their commitment, raising more than \$600,000 to date to support veterans, first responders and their families. These funds have provided educational scholarships and fully trained service dogs, making a significant positive impact on the lives of those who have served our country.

While these endeavors are crucial, Business Jet Cares believes that their most meaningful contribution lies in their "A Christmas to Remember" project. Collaborating with a local Dallas elementary school before the holiday season, Business Jet Cares extends support to nominated children and their families, ensuring that the essential items from their wish lists are fulfilled. Last year, Business Jet Cares raised more than \$10,000 to assist seven local families. These funds provided household necessities such as cleaning supplies, furniture, cookware, clothing and appliances. Additionally, they fulfilled the children's holiday wishes with toys, games, bikes, scooters, and electronics.

The employees of Business Jet take great pride in working for a company that not only supports their philanthropic endeavors but also encourages them. They are immensely grateful for the unwavering support of Mike and Stacey Wright, and their family, recognizing that without their commitment to the mission, Business Jet's impact in the community would not be possible.

Looking ahead, Business Jet Cares aims to expand their existing endeavors and establish a new partnership with Serve Hope International. This vision extends beyond their current areas of focus, as they aspire to provide assistance to communities in need of clean water, education and more. The shared values of Business Jet and its employees ensure that these traditions and charitable efforts will continue. Each act of generosity serves as a powerful reminder of the positive difference they are making in their community, reaffirming their commitment to what truly matters.
