Cathy and William W. Davis (Bill) embody the spirit of service at Forefront Living, where their tireless commitment has positively impacted countless lives. Their selfless dedication is evident through the willingness they demonstrate to contribute their time, talent and resources to make each moment matter. Whether hosting events in their own home, serving as Trustees, volunteering at Faith Presbyterian Hospice, or advocating for the cause, they are always ready to fulfill the greatest needs and make a positive difference in the lives of others. Forefront Living is deeply grateful for Cathy and Bill's unwavering commitment to providing compassionate and dignified end-of-life care.

Bill's extensive knowledge and expertise in the energy sector, combined with his 40 years of financial and accounting experience, have brought invaluable contributions to the Forefront Living Board of Trustees. Since joining the board in 2018, Bill has shown unwavering dedication to the mission, providing leadership and guidance during times of growth and change.

Cathy, as a founding member of Faithful Friends, has been actively involved in supporting the mission of Faith Presbyterian Hospice. Last April, she further deepened her commitment to the Forefront Living organization by joining the Forefront Living Foundation Board of Trustees. In addition to her work with Forefront Living, Cathy has dedicated her time and efforts to various organizations and causes throughout the city of Dallas, including Crystal Charities, Meals on Wheels and Preston Hollow Women's Association.

Cathy and Bill have been steadfast supporters of the Each Moment Matters Luncheon since its inception in 2010. They played instrumental roles as part of the first Each Moment Matters Host Committee and have continued to contribute significantly to the ongoing success of the event. While they have sponsored the Luncheon at various levels since the beginning, they have been presenting sponsors since 2016.

Cathy and Bill are also proud parents of two adult children, Meg and Wes. The Wes Davis Volcano Room and Meg's Middles, special spaces named in honor of the Davis siblings, are located in the Child Bereavement Center on the campus of the T. Boone Pickens Hospice Center. Meg and Wes have had the privilege of witnessing firsthand the values of service and philanthropy demonstrated by their parents. Their family's commitment to making a difference serves as an inspiration to all who know them.
